## FINGER FRENZY – BGMI

### Mobile Gaming (BGMI)

Buckle up! Battlegrounds Mobile India (BGMI) is a battle for survival where every second counts, and every decision could mean the difference between glory and defeat. Imagine being dropped onto a sprawling, hostile island with 99 other players, all armed to the teeth and hungry for victory. The clock is ticking, the play zone is shrinking, and danger lurks around every corner. So, are you ready to drop in? Because in BGMI,

## BLACK DUT BATTLE

### Blind-Coding

Blind coding is a mental marathon, a cerebral gladiator arena where only the sharpest minds survive. The thrill of not knowing whether your code will work until the very end, keeps everyone on the edge of their seats. Will your program run flawlessly, or will it crash and burn? In the BLACK OUT BATTLE, there's no room for error, no second chances—just pure, unfiltered coding brilliance under pressure. Are you ready to step into the exciting world of coding?
